

MODERN DIY Bride

Your Dream Wedding - One DIY Project at a Time

THANK YOU FOR YOUR INTEREST IN PARTNERING WITH MODERN DIY BRIDE.

Our blog aims to help couples plan the wedding of their dreams through a series of do-it-yourself projects. We are interested in partnering with brands who can help our audience level-up their wedding. Our audience is interested in tools or supplies that they can use to craft items such as wedding signage, stationery, wedding party gifts, jewelry, or clothing! We are open to collaborations such as sponsored posts (on our blog and/or social accounts), product reviews, and tutorials.

Our goal is to help our readers create wonderful items for their weddings. We give our honest opinions on product reviews and items will not be returned to brands.

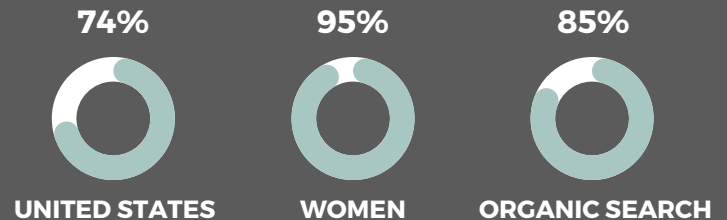

We do not accept guest posts or paid links.

Please reach out to hello@moderndiybride.com if you're interested in a collaboration and would like to see our rate sheet.
